CP255 - W1-S2: Problem Definition Exercise

In groups of 3, please work on a Miro board to clarify vague questions and make them measurable.

Click here to access Miro board.

Follow instruction on Miro to complete this activity.

Submission requirement:

Before you leave class, take a **screenshot of your group's Miro frame *(even if unfinished).***

Each student must take their own screenshot of the frame they've worked on and upload it as their own individual submission.
