CP255 - W3-S2: Optional - Level Up Your Skills

Already comfortable with Python loops?

Test yourself with these quick interactive quizzes from Real Python and more.

- Read through the article (or skim if you're feeling confident)
- Take the quiz at the end
- Screenshot your final score and upload it here

Your scores won't affect your grade. This is purely for your own learning (and bragging rights).

However, you can earn **up to 3 bonus points** for each quiz you complete beyond the **first two**.

Upload your screenshot(s) below, just the final score screen is fine!
