Mean and Median

Class Activity: Find 2 examples for each distribution family and submit your answers on bCourses. **Time: 10 minutes**

To submit:

- If you **are not planning to finish or work further on this activity**, submit your **in-class progress** by the end of class. This counts toward your **class activity** grade.
- If you **will continue**, submit by **Saturday 11:59** for **bonus credit**:
  - **1.0 point** if you complete all sections
  - **0.5 point** if your submission is substantial but not fully complete

After Sunday, no bonus credit is awarded.
